Model 3138-N

## 3138-N

Printer Applicator

The Label-Aire® Model 3138-N Printer Applicator works hard for you... so you don't have to.

The Model 3138-N Printer Applicator delivers on its promise of accuracy, reliability, and ease of use. That translates into lower operating costs and increased productivity for your business.

The 3138-N is Label-Aire's most advanced printer applicator which features New Generation technology making it the ideal choice for the most demanding applications. Advanced features include automatic setup with multiple programmable label pages for easy change-overs to labels of different sizes, rate compensation for improved label placement accuracy, and advanced user-configurable I/O connectivity. All these handy features greatly simplify setup and change-overs. The 3138-N is just as tough as it is advanced. Its rugged stainless steel and anodized aluminum construction is corrosion resistant providing long-lasting durability and maintenance-free operation in the most hostile environments. Like all Label-Aire printer applicators, the 3138-N is compatible with any O.E.M. printer on the market.

Put this most advanced printer applicator to work for you all day, every day. The Model 3138-N Printer Applicator is built to meticulous quality standards and designed to withstand the most intense operation.
